Dr. Pam Jarboe, DC (USA)

"Dr. Liz has been my client and speaker at 2 conferences that my company TAP Int'l has organized. Dr. Liz's on-stage presence is quite exceptional, giving her "all" while interacting with and transforming her audience. Dr. Liz's clinical approach is very much humanized by her warmth and down to earth character, allowing her audience to become "part of the journey". It is both a pleasure and privilege to be in the company of such a warm and thought-provoking professional. Dr. Liz both moves and motivates with her passionate and integrity-driven seminars. As a seasoned conference planner I found Dr. Liz to be highly organized, time sensitive, results-driven in every interaction and a true professional."

Corrine Dayman CEO TAP International (Canada)

"After my first conversation with Liz I felt like I had taken in a huge breath of fresh air, exhaled my frustrations and was left with a feeling a renewed optimism. The most wonderful thing about working with Dr. Liz is that she pays attention.

I know without any doubt that Liz is working with me as an individual with all of my particular needs. Every time I speak with Dr. Liz it feels like she has breathed more life into that fire in my belly that is leading me towards something great. For that, and much more, I am truly grateful."
